

Fire Extinguisher Training

East Dundee Fire District will come to your business or organization and teach your personnel the proper method of extinguishing a fire. The training is both safe and realistic.

Practice with a controlled environment to build confidence.

There will be a brief introduction to the mechanics of an extinguisher and explanation of the P.A.S.S. method of Extinguishment. Then the students will get a chance to extinguish a fire as instructed.

Course Length: 0.5-1 hr.

Price: Free for Businesses/Organizations within the district's limits.

Note: No Minimum
